SUMMER VACATION DIARY

August XX clear weather

Today we went to the Summer Festival
I ran into Onii-chan, it was such a surprise!
I thought that it must be destiny at work
Also, Asako-sensei was there too
Her voice was a lot friendlier than usual,
I thought it sounded pretty creepy

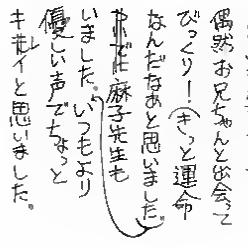
And this is how it is after the teacher "fix" it.



This way you guys now know what the "arrow" thing for, right?

Well, stay alive, stay healthy, and stay lolicon folks!
